

Accessibility Compliance:

All new and construction renovations to existing commercial construction projects must comply with the Architectural Barriers Act - Texas Civil Statutes, Article 9102. All construction projects of Total Construction Cost of \$50,000 or more must have the Construction Documents submitted for an accessibility Plan Review not later than twenty (20) business days after the Design Professional "issues" the documents for Construction. To receive a Building Permit, all property owners must submit proof that the project has been registered through Texas Architectural Barriers online System (TABS).

The Submittal Process:

All Architects / Engineers / Interior Designers / Landscape Architects / Property Owners must submit to a Registered Accessibility Specialist (RAS) the following items:

- PDF set of Construction Documents (Working Drawings and Project Manual / Specifications) AND an "un-bound" / half-size / hard-copy;
- Check for the Plan Review and Site Inspection Fees – payable to ARS, PLLC;
- Proof of Submission form – completed & signed;
- Owner Agent Designation form – completed & signed if Owner is designating an Agent;
- Architectural Barriers Project Registration form if ARS is to register for TABS#;
- Additional \$250 included in total fee check if ARS is to register for TABS#.
