

## **Continuing Education – Presentation Synopsis**

**“Accessibility: Texas Department of Licensing and Regulation–Architectural Barrier Division (TDLR-AB)**

# **TECHNICAL MEMOS”**

**Dallas AIA Continuing Education Seminar #021610**

**Presented By Fred D. Cawyer AIA**  
**Architect, Interior Designer & Registered Accessibility Specialist**

**Session Presentation Title - “Accessibility: Texas Department of Licensing and Regulation – Architectural Barriers (Removal) Division (TDLR-AB) – TECHNICAL MEMOS”**

**Timeline - One Hour of Continuing Education Credit**

**Handouts – This Summary Memo**

**Seminar Goal & Objectives:**

**A general review of the Americans With Disabilities Act (ADA), the Texas Accessibility Standards (TAS), and WHY there are accessibility regulations – because we and our clients were not “doing the right thing” as a nation**

**A review of the current TDLR-AB Technical Memos and photographic “Lessons Learned” examples of the Memos of good and bad examples of non-complying elements found in the built environment during State of Texas – TDLR-AB accessibility inspections**
